SPIDER WEB HAMMOCK.

The spiders have a hammock,
And on the porch it's hung;
Between the stems of ivy vine
The dainty swing is swung.
It hasn't any cushions—
They never seem to swing—
And so I think it must be just
For fun they made the thing!

Mrs. Ella Crowell is growing in her pretty yard at the corner of Walnut and Third streets a new rose called Veridiflora. It is something out of the ordinary. The rose is perfectly green in color, and is admired by those who have seen it for its beauty as well as oddity.

Ladies, have you seen our new line of Belt Buckles, Bracelets, Side and Back Combs, Hand Bags, Scarf and Stick Pins, Fobs and Chains, Dress Pins, Hat Pins? These goods are all positively new and stylish. You can see them in our show windows. Call and see them.

Contractors are on the ground with a big force to double-track the C. and O. from Lawrence creek to this city.

The Union Services at the Opera-house Sunday night will be conducted under the auspices of the First M. E. Church, South. Sermon by the Pastor; a special musical program will be provided, and the public is most cordially invited.

Very few have an idea of the stupendousness of the work accomplished by Superintendent Schaeffer in lowering and readjusting the water mains at the intersection of Third and Sutton streets. Owing to the surface removed for the building of brick streets it was necessary to lower the water mains about two feet in order to prevent freezing, which entailed a difficult and complicated job, all of which the able and efficient Superintendent performed in a known manner. Water was turned on yesterday morning, which enabled the men to resume work in constructing the street.

It is not known how grateful the Ripley folks are, but it is almost a certainty were it not for the attendance of Mason county people at their annual Fair, the show would be a financial failure. Yesterday this city contributed from three to five hundred visitors and the act will be repeated again today. It is unfortunate that Ripley does not reciprocate. When Maysville has a big demonstration of any kind and extends invitations to neighboring cities and towns to come and enjoy the day and occasion, our next door neighbor—Ripley—usually responds with a "measly baker's dozen." They are excellent and good people who do come, however, and always find a welcome awaiting them.

THE GROWING DEMAND

For Fernell Coffee has led some to improve their stocks. But this fact remains: The Fernell 20c, 25c, 30c and 35c Coffees are the best on the market.

The LEDGER has a sure tip, hot off the wire, that some property-holders in East and West Third street will in due time test in the Courts their liability for the cost of the brick streets being put down by the City Council. There seems to be authority pro and con, and the telling the lawyers what is the law of the case. It may look it up later.

A Very Desirable Value FOR WARM WEATHER.

Unusually meritorious values characterize the clearing of stock in cotton dress goods—and here is the proof: Exquisite Organdies in white grounds with strong and shadow printings of black or colors, also navy blue and black grounds with colored figures, 10c formerly 19c, 25c. White Swiss with embroidered white dot and colored printings, 10c formerly 19c, 25c.

ANOTHER KIMONA CHANCE.

Our summer stock clearing still continues and it has just uncovered some attractive lawn kimona, which are now priced in this way: 50c Kimonas 39c Each, or Two for 75c. One lot is in the regulation kimona style—figured with harmonizing bands of plain color, or all white with colored bands, also black with small white dot and solid black bands. Another style is figured lawn with prettily scalloped reveres around neck, sleeves and down the front. A third design has a sailor collar, with ruffles around sleeves, collar and edge of kimona. There is wide variety in colors, also black and white as mentioned above.

GOOD LUCK—For the fortunate dozen women who want handsome White Mohair Skirts and see this notice first. Regular \$7.50 values and Hunt values at that, for \$4.95 and don't forget the slogan of the Hunt ready-to-wear department. Made-to-Fit without extra charge.

300 Acres
of
Tobacco Land!

Mr. Dan Morgan has this day listed with me his farm, located about 6 miles from Maysville, containing 300 acres of land, all of which is in a high state of cultivation. All but 60 acres of this land is in fine bluegrass, and not 5 acres on the entire farm that will not grow excellent tobacco. Very little of this farm has been cultivated within the past ten years, and is now ready for tobacco or anything that the purchaser may desire to use it for. As a money making proposition there is no other farm in Mason county that is its equal. It will be sold as a whole or in separate tracts to suit the purchasers.

WORST ECZEMA DOCTORS EVER SAW

Spread Rapidly Over Body—Limbs and Arms Had to Be Bandaged and Scalp Looked Dreadful—Suffered Untold Misery for Three Years—Better in Two Months

MARVELOUS CURE BY CUTICURA REMEDIES

"My son, who is now twenty-two years of age, when he was four months old began to have eczema on his face, spreading quite rapidly until he was nearly covered. We had all the doctors around us and some from larger places, but no one helped him a particle. The eczema was something terrible, and the doctors said it was the worst case they ever saw. At times his whole body and face were covered, all but his feet. I had to bandage his limbs and arms; his scalp was just dreadful. I used many kinds of patent medicines before trying the Cuticura Remedies, all to no avail.

"A friend teased me to try Cuticura. At last I consented, when my boy was three years and four months old, having had eczema all that time, and suffering untold misery. I began to use all three of the Cuticura Remedies; the Cuticura Soap helped as well as the Ointment. He was better in two months; in six months he was well; but I gave him the Cuticura Resolvent one year,—using twelve bottles, I think,—and always used the Cuticura Soap for bathing, and do now a good deal. He was four years old before he was well, and his skin became perfectly fair when cured. I give you permission to publish this letter for I am always glad to do good when I can. I think I have told you all there is necessary to tell." Mrs. R. L. Risley, Oct. 24, 1905, Piermont, N. H.

Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which have cured people right here in Maysville.

M. C. Chisholm, Constable in District No. 2, living at 343 East Second street, Maysville, Ky., says:

"Doan's Kidney Pills positively cured me of kidney trouble and I do not hesitate to give them the strongest kind of recommendation. I had been troubled with too frequent action of the kidney secretions and it disturbed my rest nights. Having my attention called to Doan's Kidney Pills, I procured them at J. James Wood & Son's Drugstore and I noticed an improvement in my condition from the start. My trouble was soon entirely cured. This was some five years ago and I have had no return of it since. Anyone suffering from difficulties arising from disordered kidneys can make no mistake by using Doan's Kidney Pills."
